

2010 Sponsorship Resume

Bio:

My name is Chad Giddings. I am eighteen years old. I live in Cullman, Alabama. I attended Cullman High School. I rode a Kawasaki KFX450R in the 2009 season and continue to do so in the 2010 season. I recently purchased another KFX450R as a practice bike for the 2010 season.

2006 Season:

In 2006 I ran a local series called SE Quads. This was my first year of racing. I finished 4th overall in C class. I also ran the Alabama Arenacross Series, I ran Quad Amateur and finished 4th.

2007 Season:

In 2007 I ran the ATVA series, I was only able to attend four of the races, but I finished 9th in Production C. I ran consistently in the top five at each race. I also ran some SE Quad races. I ran B class there. I was unable to attend every race, but I finished top three at every race I did attend. I ran only two arenacrosses and won one of them and finished second in the other in the Quad Amateur class.

2008 Season:

In the 2007-2008 indoor season I ran few of the Alabama Arenacross races, I ran in the Quad Expert Class and never finished in less than second. In the 2008-2009 I attend two Alabama Arenacross races, I raced in Quad Expert. I finished 3rd at Warrior AX and 2nd at Priceville AX. In the 2008 outdoor season I was unable to compete during most of the season due to injury and mechanical problems. I attended the first round of SE Quads at Mill Creek and finished 3rd in B class. A week later I attended the Mill Creek ATVA National, I ran Production B and 450 B, but was unable to qualify due to mechanical problems. I injured myself practicing and was unable to attend any of the following ATVA Nationals. I was only able to attend one other SE Quad races at Noah's MX. At Noah's I won the B class. This was my first race in over 6 months.

2009 Season:

In the 2009 season I ran the Mill Creek National (Alabama), the Ballance National (Kentucky), and Loretta Lynn National (Tennessee) in Production B and 450 B. I did not have the national season I was looking for, but I have learned where I need to improve. I had my best finish at Loretta's in 450 B (13th). I plan on running both classes again next year (450 B and Production B).

Locally (SE Quads) I won the championships in the A class and 16-24 class. I am very proud of the fact that I won these two championships, these are

my first championships, but I plan on winning many more!

2010 Season:

For the 2010 season I plan on racing all the SE Quad races and going to as many of the ATVA Nationals as possible. Please consider me as a part of your 2010 team!

Sponsorship:

Utopia Optics, BCS performance, Garne boots, Icon Powersports, MotoCals, and Muff's Motorsports currently sponsor me. In the 2007 season I had Bare Performance, Janssen Motorsports, OMI Products, and Gallaway Motorsports. In the 2008 season I opted to not apply for any type of sponsorship because I did not receive the support from a few of the companies like I would this coming season.

I can help your company because I am always at races or practice so everyone sees my bike and if your name is on it they would remember it. I also have a 30' trailer we take to nationals and far away local races; it would be a great place to advertise my sponsors.
